Dear reg	Your overh Your profit	nead Is

You will be able to choose four different options:

#### Your account

 By clicking Your account you will receive INFORMATION where you can check your subscription status, gold card status and total orders. You are able to change your details by pressing icon CHANGE in the down left corner. You will be transferred to www.ibbconstruction.co.uk where you have to LOG IN again to see the panel with your data. You are now able to update your address, change password. In icon ES-TIMATIONS you are able to access or delete your previous estimations. Icon CREATORS or TRANSLATIONS is to check your past presentations and translations, while PUR-CHASES RECORDS is to view your order history.

You will be able to view on screen your previous orders details.

## Your rates

By clicking Your rates you will be able to view and amend cost of Labour or Plant&Tools.

Select category - Labour or Plant&Tool in right corner. Your choice will be highlighted in green colour.

# Labour:

Use the FILTER search to find trader or in the NAME column choose the appropriate trader. Insert your preferred rate into the empty YOUR RATES box and click CHANGE button. If you are happy with your amendments click SAVE icon in the down right corner.

Filter	rates: Change	Search ELbour Plant&Tools		
Name	Rates proposed by IBB	Your rates		
ricklaver	12.0	15.0		
ricklayer mate	6.0	8.0		
arpenter	12.0	13.0		
arpenter mate	10.0	10.0		
oncreter	9.0	15.0		
lectrician	14.0	16.0		
lectrician mate	10.0	12.0		
elper	6.0	8.0		
piner	12.0	14.0		
abour	8.0	9.0		
abour skilled	10.0	11.0		
ainter	10.0	11.0		
lasterer	12.0	14.0		
lasterer mate	8.0	9.0		
lumber	12.0	15.0		
oofer	12.0	13.0		
killed decorator	13.0	13.0		
teel fixer	10.0	12.0		
iler	10.0	12.0		

# Plant&Tools:

Use the FILTER search or in the NAME column choose the appropriate Plant&Tool position. Insert your preferred rate into the empty YOUR RATES box and click CHANGE button. Click SAVE icon in the down right corner to apply changes.

Name	Feature	Dimension	Rate	Your rates
ement mixer			2.1	2.1
ainsaw			1.05	1.05
in			1.05	1.05
ab lorry	16 tonne	10m3	350.0	350.0
zwa en	rodz en	wym en	9.0	9.0
ip		12cu yd=9.2m3	300.0	300.0
indry			100.0	100.0

For both Labour and Plant&Tools rates you can also use SELECT ALL button and insert the preferred rate in YOUR RATES box to apply changes for all selected positions.

## Your overhead

By clicking Your Overhead you will be able to set your preferred overhead percentage for selected positions in three categories- Labour, Material or Plant&Tools. Choose the category in the right upper panel by clicking and highlighting it in green colour. Select the chosen position (you can use search in the FILTER box) or use SELECT ALL button, insert the overhead percentage in the empty box and click CHANGE button. Apply changes by clicking SAVE icon in the down right corner.

### Your profits

By clicking Your profits you will be able to set/amend the percentage of your profit for selected positions in three categories- Labour, Material or Plant&Tools. Choose the category in the right upper panel by clicking and highlighting it in green colour. Select the chosen position (you can use search in the FILTER box) or use SELECT ALL button, insert the profit percentage in the empty box and click CHANGE button. Apply changes by clicking SAVE icon in the down right corner.
