

OPEN DOORS

Get into Construction

Do you consider a career in the construction industry? Open Doors event in March will give you a unique possibility to visit major construction sites in England, Scotland and Wales. It will give you insight into the sector with the opportunity to see the pro-

ject and meet professionals and tradesmen. Discover how the buildings and structures are constructed and find out about the diverse range of skills and professions needed on site. Get knowledge on how to start the career in the construction. The previ-

ous Open Doors event was highly successful. This year the Open Doors programme will be delivered by Build UK, in partnership with CITB and in association with Considerate Constructors Scheme and Construction News.

Try a free construction experience! To view sites and register your interest visit opendoors.construction/sites
