The first game of the 2nd phase of Harrow Youth League of Magix. From

the very beginning IBB Polonia FC has directed the style of the match. Actions preceded by some great occasions to score a goal. Very good communication between players, mutual assurance and the willingness to win allowed the team to end this meeting with success. I believe that in this game IBB Polonia FC was better than the opponent and deserved to win. I would like to thank all players for their commitment and all our fans for their support and cheering.

IBB Polonia FC U7 on 8th January 2017 **IBB Polonia FC 3-5 Ruislip Rangers A**

I was honoured to coach the team U7 IBB Polonia FC. It is essential to mention that boys in just four months have moved up two divisions what is the fantastic achievement. We came to face a team Ruislip Rangers A. From the very beginning it was seen that both teams really wanted to win this game. After an individual action of Oliver Kryszak, IBB Polonia took the lead. However,

the clever actions and game of Ruislip Rangers showed that they deserve their place in the A division. Well put together team. Fast and strong players were disturbing our players during the game to construct perfect situation for scoring a goal. After a beautiful action by Kamila Grodzki of about 18m udeza ball in the post. Blow for blow. I think that was a very good match performed by both teams. You can not win every time. But you must also know how to lose a game. Remember that every failure teaches. Thank you to the whole team for the sweat poured and the will of fight. We also thank wonderful parents for their support and cheering. To the top of the head. #GoPolonia
